Advisor Expectations Checklist

Listed below are some expectations which can be negotiated between student leaders and their advisor. This form is designed to help advisors and officers arrive at a clear and mutually agreed upon advisor role.

The advisor and the officers of the organization should rank the following items (from 1 - 5, with 1 being an essential duty of the advisor and 5 being absolutely not an advisor's duty) and then meet to compare answers and discuss any differences. For items that are determined not to be the responsibility of the advisor, it is important to establish whose responsibility it will be.
